

Personnel: Job Description

Graduate Assistant for

Outdoor Adventures

Angelo State University Recreation, San Angelo, Texas

Overview

University Recreation consists of five program areas: Aquatics, Facilities, Fitness, Intramural Sports, and Outdoor Adventures. Over 200 students are employed with UREC in various positions to administer, manage, and support day-to-day operations. Student employee positions range from entry level positions such as area floor staff, office staff, and sport officials, to supervisory and management positions. Consideration for employment is based on the review of a resume and interview.

Our mission is to engage the campus community with recreation and wellness programs designed to stimulate growth and development by enhancing healthy lifestyles through participation opportunities, educational experiences, and supportive services. Through recreational involvement, UREC provides a safe and contemporary environment for social interaction while improving sportsmanship and fostering leadership development.

Outdoor Adventures

Mission Statement

By utilizing adventure education-based programming experiences, Outdoor Adventures strives to provide opportunities to promote self-efficacy, leadership qualities, and pro-social bonds to the Angelo State University community.

Vision

Outdoor Adventures hopes to operationalize its mission by offering six, main programming areas: Indoor Rock Climbing Gym, Team Building Experiences, ASU Lake House Facility, Outdoor Trips, Educational Clinics, and Equipment Rental. These six areas will provide the environment in which campus community members can de-stress from the pressures of campus life; thus, allowing them to refocus and build greater social ties to the University. Participants of Outdoor Adventures programming will take charge, and learn what it means to seek an adventurous lifestyle.

Goals

In alliance with Angelo State University and University Recreation's mission statements, Outdoor Adventures' end goal is to provide responsible citizens leading to having productive careers. Thus, Outdoor Adventures fosters the following eight specific goals that support the development of citizenship and productive careers: accountability, communication skills, leadership qualities, metacognition, open-mindedness, problem-solving skills, professionalism, and various technical skills. Although each program might have slightly varied learning outcomes, these are the eight tent poles that provide the foundation to every Outdoor Adventures program.
