### Rambunctious Weekend Kicks Off Fall 2009

Before Angelo State University's fall semester classes began Monday, August 24, students spent a few days settling in and having fun during Rambunctious Weekend.

Besides offering incoming students an opportunity for fun and food, Rambunctious Weekend also served as a component of ASU's First-Year Experience program to help students acclimate to their new environment and start out on a successful quest for a college degree.

Students, faculty and staff gathered in the Junell Center/Stephens Arena for the Fall Convocation Friday, August 21. Faculty and administrators, in full academic regalia, welcomed students in a graduation-like setting to wish them a successful academic career and give them a preview of their own graduation.

### 30-Something Year Reunion

Former Angelo State football players, who played for Grant Teaff, were invited back to campus this past weekend, for a reunion with the legendary coach. Included in the festivities was a team dinner, team pictures, campus tours and a Rams' victory Saturday evening.

Coach Teaff spent three years (1969-1971) as the head coach for ASU. Many call that time the foundational years of ASU football.
